

EN Roll the die. Take a buddy of the corresponding colour and put it on the balance. To stay in balance, you may use one extra other buddy on the first turn of the game. The other turns you may move other buddies that are already on the balance to stay in balance.

NL Werp de dobbelsteen. Pak een buddy van de corresponderende kleur en zet deze op de wip. Om de wip in balans te houden mag je de eerste buert van het spel één extra buddy gebruiken. In de beurten erna mag je buddies die al op de wip staan verplaatsen om de wip in balans te houden.

EN If you roll black, the other player may choose which color you should add. If rolling white, you may choose a buddy yourself. Can you put all the buddies on the balance?

NL Gooi je zwart? Dan mag de andere speler kiezen welke kleur je moet doen. Gooi je wit? Dan mag je zelf weten welke kleur je erop zet. Lukt het om alle buddies op de wip te krijgen?

EN If one or more buddies fall off, you are out and lose the game.

NL Wanneer één of meer buddies eraf vallen, dan ben je af en heb je verloren.
