

ONE PLAYER ONLY
LIGHT ON RULES
BIG ON REPLAYABILITY

The waters (and the animals within) are your friends. They'll help you arrange the land animals so they can eat each other. Anything to keep them out of the sea!

COMPONENTS

3 Sea Animals (Dolphin, Manta Ray and Octopus)

SETUP

Shuffle the Sea Animals together (including those from the base game) and randomly draw 2 to use this game, setting the others aside. To increase the difficulty, use fewer Sea Animals.

GAMEPLAY

During the game, you may discard Sea Animals and use their abilities as in the base game.
