

# Zooloretto

## THREE EXTRA ENCLOSURES

Expansion for 2 to 5 players

Not a complete game -  
must be played  
with Zooloretto!

### CONTENTS

3 extra enclosures (one each for zebras, flamingos and elephants).

*Before the first game, carefully remove the tiles from their frame.*

### PREPARATION

Place the 3 extra enclosures face up in the middle of the table.

### PLAYING THE GAME

Follow the basic rules for Zooloretto with the following additions:

Using a money action, a player may buy any of the three extra enclosures from the middle of the table for **2 coins**.

In each of the extra enclosures, a player may only place animals of the kind shown (zebras, flamingos, or elephants).

*The extra enclosures are useful for players who have acquired extra animal tiles of the kind needed for that particular enclosure.*

This expansion can be played with the basic game.

### COMBINING EXPANSIONS AND VARIANTS

You can find recommendations for combining several expansions with the basic game on the homepage of the author: [www.michaelschacht.net](http://www.michaelschacht.net)
